## Bowling for Justice

Peninsula Community Legal Centre volunteers celebrated Law Week and Volunteer Week in a friendly bowling tournament at Moorabbin AMF on Friday 17 May 2013.

General Manager of Volunteers & Education, Andrea Staunton, says:

“Volunteers are highly prized at Peninsula Community Legal Centre. Last week alone, our volunteer lawyers provided 45 free legal advices across five locations; our paralegal volunteers co-ordinated and supported legal advice sessions and our management committee volunteers met to provide strategic governance for the organisation.

We are exceptionally proud of our team of 130+ volunteers, who greatly extend and enhance our free legal services to the community. National Volunteer Week provides us with a great opportunity to say thank you to our volunteers on behalf of our Centre and community.

The Centre also celebrated Law Week by holding a public information stall at Bayside Shopping Centre, Frankston with Victoria Legal Aid, Peninsula Regional Office. Together we provided free legal information on a variety of topics and raised awareness of local free legal services.”

Peninsula Community Legal Centre provides free legal advice on most legal issues, with ongoing assistance targeted to support clients experiencing disadvantage. Volunteers enable the Centre to operate free, after-hours advice services in Frankston, Bentleigh East, Cranbourne, Rosebud and Frankston North. For more information about free legal services, please call (03) 9783 3600 or visit [www.pclc.org.au](http://www.pclc.org.au) .

END.
