

Press Release: Helen Conostas

The Peninsula Community Legal Centre is an independent, not for profit organisation that has been providing free legal services to Melbourne's south-eastern communities for more than 30 years.

The Centre utilises the skills and work of volunteers to extend and enhance its operations and service delivery.

The Peninsula Community Legal Centre is one of the largest community legal centres in Australia, assisting thousands of clients each year with free legal advice and ongoing assistance, as well as undertaking community legal education and law reform activities. In 2011, the Centre was named Legal Organisation of the Year at the prestigious Law Institute of Victoria's President's Awards.

Ms Conostas has been with the Centre for almost 30 years and through her work has grown the Peninsula Community Legal Centre from its small beginnings to the substantive and vibrant organisation it is today.

Ms Conostas has now decided to pursue other adventures and has tendered her resignation. Ms Conostas wishes the Centre, the staff and volunteers every success in the important work they are doing.

The management committee and staff would like to thank Ms Conostas for her dedication and work over the many years and wish her well in her future endeavours.

END.
